

Acton Medical Now Offering Ear Piercing

STUDEX STERILE MEDICAL SYSTEM

Acton Medical proudly offers our patients ear piercing using the Studex medical ear piercing system which includes individual piercing cartridges sterilized in advance and disposed of after every use. Patients having their ears pierced at Acton Medical receive care from a pediatric provider in a medical office and receive professional care before, during, and after the procedure.

Please call Pediatrics with questions or to schedule an ear piercing, **(978) 635-8914**.

Fee: \$100.00 due at time of visit, unable to bill to insurance

Facts about Acton Medical Ear Piercing:

- Must be an Acton Medical patient
- Open to children 7 plus years
- Up to date vaccines required
- 14 carat gold earrings included
- EAR LOBES and two earrings per lobe only
- Piercings only given one pair at a time
- Three earring choices, yellow and white gold balls, and a crystal stud
- Available by appointment only, cannot be performed as part of a sick or well visit
- Acton Medical reserves the right to cancel a procedure if we feel, for any reason, that the situation may be unsafe due to a child's unwillingness to cooperate.
