

Acton Medical Associates | Appointment Cancellation Policy

We understand that unplanned issues can arise, and patients may need to cancel appointments. If that happens, we respectfully ask that scheduled appointments are cancelled at least 24-hours in advance.

Patients who do not attend a scheduled appointment, or do not provide a 24-hour notice to cancel a scheduled appointment, may be responsible for a \$50.00 missed appointment fee, which cannot be billed to insurance.

We thank you for your understanding and cooperation. This policy enables us to open otherwise unused appointments to better serve the needs of all patients.
