

Pediatric Healow Portal Access

Below is our policy on age and access to medical information

Age 0-12: Parents have access as a proxy to the child's full information

Age 13-17: Parents have access as a proxy to message back and forth with provider, no updates from the patient's chart will flow into the portal during these years.

Child can sign up for their own account in Healow and will only be able to communicate back and forth privately with providers no updates from the patient's chart will flow into the portal during these years

Age 18+: Parents have access as a proxy to message back and forth with provider if on signed HIPAA from patient. No updates from the patient's chart will flow into the portal.

Information needed: please fill in the appropriate section(s) and write legibly or form cannot be processed.
