

Acton Medical Associates - Healow Portal Tips

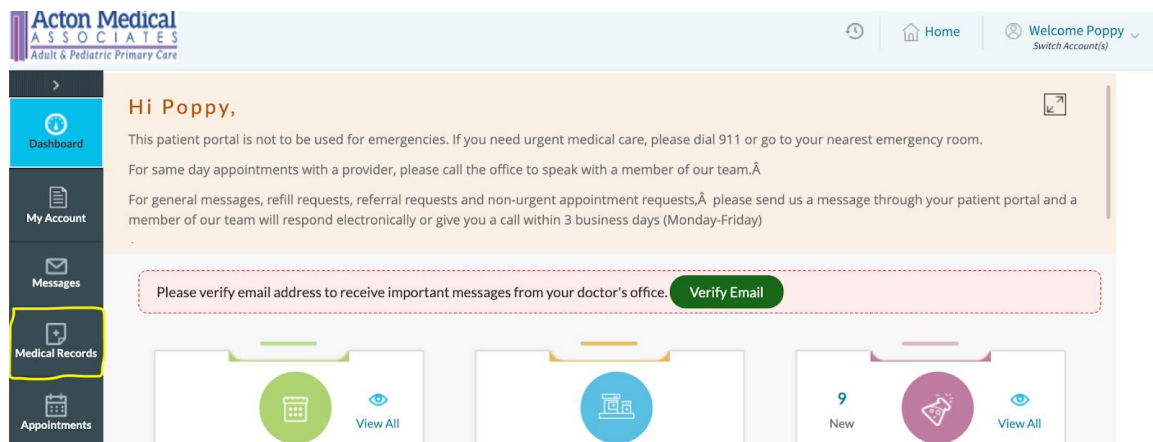

Did You Know?

- *Optimal Browser:* For the best experience, use the Healow portal web version with Chrome.
- *The App* is also available for use to retrieve these documents. See images below for guidance.
- *Quick Access:* Access the portal from the Acton Medical Homepage – Bookmark our site for easy use!
- *School Forms and Vaccine Records:* Easily access your child's school and daycare clearance forms and vaccine records through Healow.
 - These documents can be printed or saved as a PDF to upload directly to your child's school.
- *Portal Access for Children 13 and Older:* Parental access to medical records including vaccination records and school forms is easy! See the steps below. Patient information such as STI test results, medications and active medical problem lists are limited.

How to Access School Forms and Immunizations

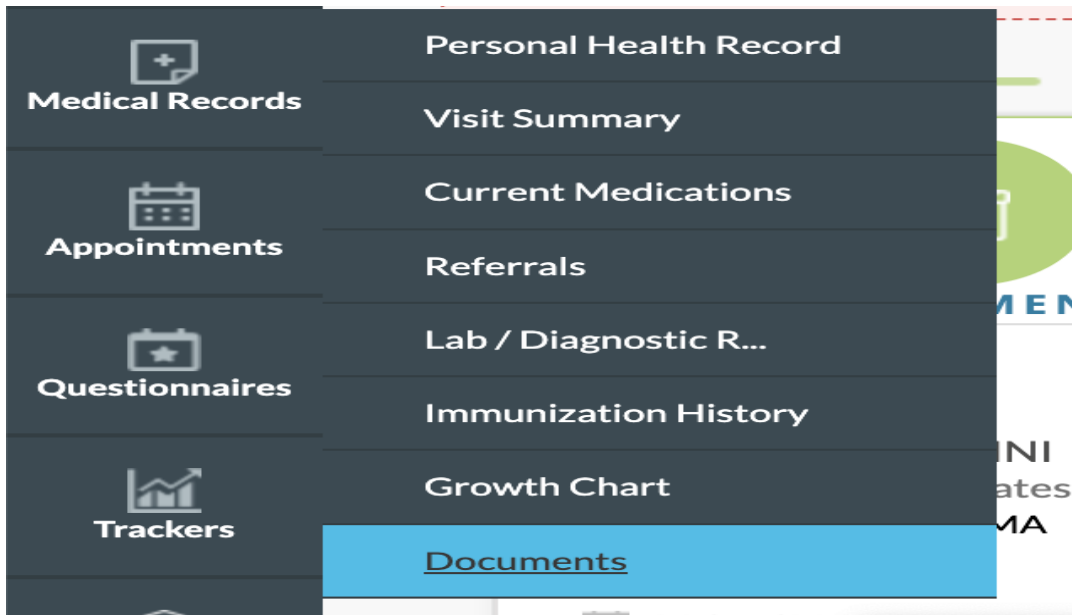

1. From the Dashboard:

- **Click on Medical Records.**

2. Select Documents:

- **Choose the appropriate document from the list.**

- 3. View Your Document:**
 - Select View to open the document.

YOUR DOCUMENTS
